HEALTH BOARD ISSUES NEW ORDER

UNGALVANIZED MILK CANS CAN NOT BE USED IN THE FUTURE.

Dr. B. B. Godfrey recently appointed by the common council to take charge of Holland's health, has placed notices in every creamery, in every dairy, and in every place where milk is sold, stating that ungalvanized milk cans cannot be used as receptacles for milk. Nothing but the best and most sanitary cans will be allowed in the future.

As an example, says Dr. Godfrey, I noticed in one creamery that a man was scrubbing diligently on an old can. I asked him what he was doing. He said he was trying to clean the can but was having hard work. I told him that all his scrubbing on such kind of a can would do no good, as a rusty can of that sort would contaminate the milk five minutes after it had been scrubbed.

Said the man, "I thought it was strange when a state man jumped on me while I was working in Zeeland. He said to me, 'What are you doing with those cans?' I made some sassy remark, because a blind man could see that I was trying to clean them. Said he, 'Go get me a hammer.' I did as requested. 'Now said the state inspector, any time a can of this kind comes at this creamery I want you to take that hammer and knock hell out of it, this way,' and forthwith he proceeded to knock the bottoms out of several cans that did not look good to him, after which he handed me his card showing that he was an inspector from the state board of health."

HORSE RUNS AWAY WITH A VALUABLE LOAD

Old "Dobbin" attached to the oil wagon of Isbrand Vos made a bee line south on Pine Avenue yesterday afternoon when a passing automobile made the old horse put on some extra steam.

The valuable load of gas and oil went hurtling from one side of the street to the other until Sixteenth St. was reached, when the horse became entangled with the trappings, kicked the thills, and pulled the harness to pieces.

The damage done is about \$10. The wagon contained more than \$30 worth of oil and gasoline.

JUDGE CROSS GIVES MUSKEGON MEN A SCORING

CELEBRATE PARTNER'S GOING AWAY BY GETTING DRUNK

The first sentence under the new prohibition law was handed out by Judge Cross at Grand Haven the other day.

Four men from Muskegon, one in the draft, came to Grand Haven to celebrate. It is said they got gloriously drunk as a fitting farewell to one of their fellows who was shortly to leave for the front.

The man who was to leave got off with a \$10 fine at the request of the Muskegon draft board. But the other three were not so fortunate. The judge told them that he really ought to make an example of them and send them to jail in order to show that the new prohibition law was there for a purpose. After talking along this line, convincing the men of the seriousness of their crime he proceeded to fine each one of them \$50 and costs which they were tickled to pay, considering the jail sentences that they had expected.

FARMERS RE-PLANT YOUR BEANS

If the beans are not replanted the loss will be the labor and the use of the field for one year. If the beans are replanted, the gain will be the yield of beans less the cost of the seed. The food supply for the Allies and for America will be increased.

Summary: Why replant bean acreage?

1. The cost of replanting is not greater than the cost of seed.
2. Seed beans are available and comparatively cheap.
3. The seed bed is already prepared. Little cultivation is required.
4. Beans are a short season crop.
5. Every acre started for food should produce food.
6. Food is necessary to win the war.
7. The bean acreage is below that of last year with every acre frost-killed.

There is another, and, perhaps, a greater reason why every acre of frost-killed crop should be replanted. In Europe are thousands of Michigan men fighting for America and American men and women. If they should fall today, they will go back into the fight tomorrow. With them there is no turning back—they must go on or die. Are we here at home less courageous than are these, our men? Are we less resolved to win this war, to do our share, to go over the top time and again if by so doing we are aiding them in gaining a final victory?

Edward Landwehr is in Washington, D. C. in conference with the Government, to get an allowance for more material for the Holland Furnace Co.

YOUNG PASTOR WEDS POPULAR LOCAL GIRL

MISS HENRIETTA PLASMAN BECOMES BRIDE OF THE REV. MARION GERALD GOSSELINK

Ceremony Performed Last Evening at Montello Park; Couple to Live in New Jersey.

A beautiful wedding took place last evening at the home of Mrs. Henrietta Plasman at Montello Park when her daughter, Miss Henrietta Plasman, became the bride of the Rev. Marion Gerald Gosselin, pastor of the Reformed church of South Branch, N. J. The marriage marks the culmination of a college romance which began some years ago at Hope College.

The ceremony was performed by the Rev. W. J. Van Kester in the presence of about 200 guests. The bride wore a beautiful gown of satin and George-ette crepe trimmed with Brussels lace and pearls. Her hooded veil was of net and lace held by orange blossoms. She carried a shower bouquet of white sweet peas and bride's roses, and wore a beautiful necklace of pearls, the gift of the groom to the bride.

The bride was preceded to the altar by Miss Fannie Plasman, her sister, who acted as bride's maid. Miss Plasman wore a gown of pink silk under chiffon and tulle and carried a bouquet of sweet peas. The ring bearer, little Maxine Kooiker, was in white. The groom was attended by Edwin DeVries, nephew of the bride.

Alfred an Dyke, fiancé of Miss Fannie Plasman, was to have attended the groom but he was detained in camp, being in the U. S. military service. The same thing was true of Henry Plasman, the bride's brother, who was to have acted as master of ceremonies; his place was also taken by Edwin DeVries. Miss Lois Kennedy of Chicago was mistress of ceremonies.

The ceremony was performed under a canopy of smilax, ferns, roses and sweet peas, the corner of the room being banked with palms, with gladiolas along the sides. The doors and curtains were decorated with smilax and daisies, and baskets of flowers throughout the house made it a bower of beauty. The ring ceremony was used.

Before the ceremony Miss Henrietta Bloemendaal beautifully sang "I Love You Truly," and "Love's Coronation," and after the ceremony she sang "Beloved It Is Morning." The wedding march was played by Miss Henrietta Plasman, of Grand Rapids, niece of the bride, who also played during the offering of congratulations. Miss Reka Hoek had charge of the gift room and Miss Margaret Muller was in charge of the serving of refreshments.

The newly married couple left last night for a wedding trip to Iowa. They will be at home to their friends at the church parsonage, South Branch, N. J., after August first.

Mr. Gosselin is a graduate of Hope College and of the New Brunswick Theological Seminary. He was a very popular student at both institutions and made many friends here during his residence in Holland. His home was in Pella, Iowa. Mrs. Gosselin, after her career at Hope College, for a number of years served the city of Holland as assistant in the library. She was one of the most popular young ladies in the city. By virtue of a winning personality and through her position in the library she made an unusually large number of friends.

The out of town guests at the wedding were: Mr. and Mrs. D. G. Gosselin and family of Pella, Iowa; Miss Lois Kennedy of Chicago; Mr. D. F. Plasman of Grand Rapids; and Mrs. De Vries and family of Grand Rapids.

MRS. MARY DE BOER IS GRANTED DIVORCE

GETS ALIMONY AND SOME REAL ESTATE

The case of Mary De Boer vs. John De Boer local coal dealer was decided by Judge Cross in a divorce decree for Mrs. Mary De Boer. In this property settlement the former wife is awarded \$1,500 in cash; a division is made of five cottages, 3 at Central Park, 1 at Waukazoo and 1 at Jenison Park. Mrs. Mary DeBoer is also given all of the personal property. The property not jointly owned remains in the hands of John De Boer, this includes the River Avenue home.

Domestic troubles have been brewing for the past three years. Two years ago a suit was started but the matter was nipped up. Now however John De Boer thru his attorney, George E. Kollen filed a bill for divorce alleging cruelty.

Immediately Mary E. DeBoer files a cross bill alleging cruelty and non-support.

Rev. and Mrs. George Hansveld of Kilduff, Ia., are the guests of Mr. and Mrs. Luke Lugers.

TRUCK PASSES OVER CHEST OF SMALL BOY

ZEELAND LAD IS SERIOUSLY INJURED BY HOLLAND FIRM'S TRUCK

Two Other Accidents At Zeeland Reported; Other Two Less Serious

Jim Vande Vusse, 17 year old son of Mr. and Mrs. G. Vande Vusse of Zeeland received serious internal injuries Wednesday when the large ice truck of the Consumers' Ice Company of Holland ran over the boy. No bones were broken but the back wheel ran over his chest and the youth sustained a rupture of one of his lungs. He lies in a serious condition at the home of his parents on Lincoln street.

Jim with a few other boys was hanging on the ice truck and just before he started the machine the driver told the boys to get off. They jumped off with the exception of Jim who was somewhat tardy in his actions and when he did jump he landed in front of the back wheel. The driver thinking the boys were off started the machine and the back wheel ran over the boy's chest. Dr. T. G. Huizenga was immediately called and the boy was rushed to his home nearby.

Another accident occurred at Zeeland Wednesday when L. Cole an employee of the city, was run down by the Ford truck of Milan Huyser, proprietor of the City Meat Market. The Ford was coming west on Main street when Mr. Cole crossed the street. The driver turned to one side to avoid him but it happened that Mr. Cole took the same direction. After trying to avoid each other, the machine finally ran into Mr. Cole and he sustained a painful fracture of his leg.

A third accident at Zeeland was that sustained by Peter De Leenw who broke his left arm Tuesday when he fell from a bicycle which he was riding.

DAUGHTER OF MR. AND MRS. KLAAS BURMA WED

WERE MARRIED AT THEIR FUTURE HOME BY REV. BROEKSTRA

Miss Gene Burma, daughter of Mr. and Mrs. Klaas Burma, was married last evening to Mr. Rein Vischer at their future home, 234 W. 16th Street. The marriage was performed by the Rev. M. P. Broekstra, pastor of the Fourth Reformed church of this city.

The beautiful ring service played an important part in the wedding ceremonies. The bride was given away by her father. A wedding march from Mendelssohn was softly played by Miss Johanna Kuiper, as the bridal party marched to the altar.

The bride was beautifully gowned in Crepe de Chine and oriental lace and carried a large bouquet of bride's roses and swansons. The groom wore conventional black, while the bridesmaid Miss Sadie Kuite was prettily arrayed in pink voile with cream lace and carried a bouquet of sweet peas. Henry Vischer, brother of the groom acted as best man.

The home was appropriately decorated with patriotic colors.

The ceremonies took place, beneath an arch of roses, Chrysanthemums and evergreens. The master of ceremonies was Mr. John Kuite, and Miss Minnie Geerlings had charge of the gift room.

After the ceremonies elaborate refreshments were served after which a musical program was quickly gotten up by the guests present in which the Dominie played an important part. The musical numbers rendered were a clarinet and violin duet by Raymond Kuiper and Renald Mulder, a song "Sing Me to Sleep," by Rev. M. E. Broekstra, a reading by Mrs. De Roos and violin duet by Cornelius Vischer and Henry Kassen and accompanied by Miss Sena Kassen.

A similar case against Frank Dyke, the contractor, was dismissed. Melvin Stamp of Coopersville was given judgment for \$175 against Arthur L. Hale claimed due on a default judgment.

Mr. Schnurbusch will be succeeded by H. Tullson of St. Louis who will arrive in Grand Haven Sunday to take charge of the Grand Haven office.

On July 3 in the afternoon at 3 o'clock there will be a public sale of 16 acres of lay land on the old Vos farm 3 miles south and 1 mile west of Graafschap.

Miss Susie Hunderman of Grand Rapids is the guest of G. Hertger and family.

DRENTHE

Some of our boys were home from Camp Custer on a three day furlough this being their last trip home, as they are preparing to leave for the other side in a short time.

Messrs. Johannes J. Brower and Jennings Taylor from Ann Arbor spent their vacation at the home of the former's brother's home in Drenthe, Dr. and Mrs. A. J. Brower. Mr. Taylor left for his home in Bessemer Sunday, while John Brower returned to his parents' home in Oakland, Monday.

Surprising news from Camp Custer was recently distributed in Drenthe that Harn Van Spyker was united in marriage to Miss Jennie Strabbing of Graafschap the past week. No doubt she had been contemplating to settle down to home life, this spring, but on account of being called into service two months ago his matrimonial plans were shattered. Finally Hyke and Jennie decided to follow up their old plans and the bride is now residing at Battie Creek where she is employed and now they are both doing their bit for the U. S. A. The groom has spent several years in Drenthe being engaged in farm work, and all friends of this community send their very best wishes to the wedded couple and hope the groom will be as successful "over there" as he has been in former days over here.

Rev. T. Vander Ark our former pastor, now of Manhattan, Montana, conducted the services here Sunday, while Rev. Vander Werp delivered a sermon at Grand Haven.

Miss Luey Nyenhuis was united in marriage to Wallace Vander Kolk of Zeeland last Friday evening. The bride was attired in a beautiful white gown trimmed with satin and beads. The ceremony was performed by Rev. W. D. Vander Werp. Only immediate relatives witnessed the ceremony. The bride and groom will make their home in Friesland where the groom is managing his father's farm.

Mrs. R. DeVries and Mrs. A. J. Brower attended the funeral of Mrs. Fanny Riemersma at Holland Monday. Mrs. C. Heyboer from Zutphen visited at the home of her sister Sunday, Mrs. B. Kamp.

Mr. E. Van Spyker went to Camp Custer Sunday to call on his son Hyke.

The Drenthe citizens have received an "Honor Flag" last week. This banner was presented to our district for going highest over the top of any district in Ottawa county in the Third Liberty Loan drive.

Arrangements have been completed for a large celebration to be held at Drenthe, Michigan, July 4th. It is expected to be the best and largest ever given here. It will be held in the grove one-half mile west and one-fourth mile south of Drenthe. The proceeds are to be given to the Red Cross. The address of the day will be delivered by Henry K. Boer of Hamilton. Mr. Boer formerly resided in Drenthe and is generally recognized as an eligible speaker. The big attraction of the day will be the Kaiser Wilhelm and the big feature of the evening will be a Camp Fire Scene. Fire Works cannot be had this year and this was a suggestion favored by all who take part in the program. The Camp Fire Scene will be given after the close of the evening program on the baseball grounds. Following is the program for the afternoon and evening:

Afternoon, 1 P. M. Band; Psalm 68:10 vs. audience; Prayer and Opening, Rev. W. D. Vander Werp; Remarks, Rev. Vander Werp; Welcome song; Recitation, Gerald Brandt; Band; Dialog, Entertaining Sister's Beau; Solo, Vera Brower; Address, Henry K. Boer; Flag Drill; Keep the Home Fires Burning, Liberty Glee Club; Recitation, Marjorie Vander Werp; Band; Dialog, Getting ready for a visit; Recitation, Mighty Kaiser, Mabel Brandt; Flag Song; America, Audience, accompanied by the band. OTTAWA CO. FARMER WINS DAMAGE ACTION VERDICT

A verdict of no cause of action was directed Thursday by Judge McDonald in the trial of the case of Boyd Peterson, 7 years old, against John Austin, a Chester township, Ottawa county farmer. The action was the result of an accident July 7, 1918, when the boy was in front of Austin's mowing machine and his left foot was cut off.

DRENTHE TO HAVE BIG CELEBRATION

The people of Drenthe and vicinity will hold a large celebration July 4. For several years this progressive little town has staged a celebration on the Fourth of July and the affair this year promises to eclipse all others. The celebration will be in Drenthe's woods one-half mile west and one-fourth mile south of Drenthe church. The principal orators for the day will be Rev. Wm. D. Vander Werp, pastor of the Christian Reformed church at Drenthe and Henry K. Boer. The Byron Center band will furnish the music. There will be an interesting baseball game staged between the Drenthe Independents and the North-western baseball nine of Grand Rapids. The Liberty Glee club will render selections. The Camp Fire Male chorus offers an evening program at the baseball grounds. There are many other attractions for the celebration which will be held both afternoon and evening, the afternoon program beginning at 1:30 and the evening program at 7:30. The committee has always prohibited fire works to be shot on the grounds and this year the law will be strictly observed.

POPULAR PURSER OF STEAMER HOLLAND GOES INTO SERVICE

Frank Sheldon, purser of the Crosby steamer Holland, well known in this city, goes to Camp Custer Monday with the Muskegon contingent to enter the service of the United States with the national army. Mr. Sheldon who was purser in the E. G. Crosby last summer has been in the employ of the Crosby Transportation company for a number of years. He is a former athlete and ball player and has a wide acquaintance among the traveling public. He will be succeeded on board the steamer by Forest Dickerson, a brother of Emerson W. Dickerson, president of the Western Base Ball League and a well known sporting writer.

EMPLOYEES OF THE HOLLAND FURNACE GET SIX HOLIDAYS

Employees of the Holland Furnace Co. Saturday had the first Saturday holiday. There was a division between the older men who just as soon work as lay off and the younger men who like a half day for fishing or base ball. Here Mr. Landwehr stepped in and told them that starting today the employees of the Holland Furnace Co., will for the next six weeks, receive a day off each week on full pay. The holiday falls due on Saturday and July 4, after six weeks of course the holiday will be discontinued. It will be for the summer months only. Mr. Landwehr says in connection with this new ruling: "We do this not because we have not got the business, in fact we could put on several more men but we believe the adage "all work and no play makes Jack a dull boy" is only too true, and the men are faithful and work hard and deserve some off time for recreation, therefore during the hot months we will give them six holidays on full pay."

FARMERS MAY SAVE PART OF THEIR CROPS

D. L. Hagerman, county farm agent while not minimizing the great damage to crops done by the killing frost of Sunday morning, sounded a note of hope to the farmers Monday. He was of the opinion that with favorable weather conditions coming on a large portion of the damaged crops would come along. He advised that the blackened leaves and foliage be taken off wherever possible, even though plants would be cut almost to the quick to do so. Then if life was not completely choked out of them, they would continue to grow and they will eventually develop.

Mr. Hagerman, wherever possible has advised Ottawa farmers what to do in order to save something from the wreck. Fortunately it is not too late to reseed in many cases. Potatoes and beans and corn can be replanted. In fact Mr. Hagerman immediately got busy and before Monday noon had many bushels of seed corn coming this way for the Ottawa county farmers. They can secure it at his office in Grand Haven.

These crops will be a little later than usual of course, but with ordinary good weather they should grow rapidly and mature, in time for a good harvest. The outlook is therefore not wholly dark. As Mr. Hagerman, hopefully stated "There is always something saved out of the wreck."

Farmers from this part of the county showed a disposition Tuesday to take advantage of this offer of the Ottawa County Farm Agent to secure seed corn as well as of the Holland Canning Company to secure seed for replanting their bean crops. Many are taking steps to replant their wasted fields, and others are doing what they can to save the plants partly destroyed by following the directions of the farm agent.

John Bouwens and John Fris spent last week at Cadillac as delegates of the Zeeland Fire Department at the State Firemen's Convention.

Henry Warnshuis has left for Elmira, N. Y., where he will work during the summer.

ZEELAND BOYS LOSE SPECIAL CITY ELECTION

A complete surprise was pulled off on the "kiddies" of Zeeland Saturday when the proposition to raise the sum of two thousand dollars by general tax for the purpose of building a public swimming pool was voted down by a large majority. The result of the ballot was 154 to 118. Considering the fact that a two-thirds majority was necessary in order to have the proposition carry, the swimming pool was made an impossibility by a decisive vote.

Ever since the common council voted to have a special election to decide whether Zeeland should make this public improvement, the swimming pool was the talk of the town and it was thought that the proposition would carry. The city was placarded with posters bearing the heading, "Vote for the Swimming Pool," and containing several forceful arguments in favor of the improvement. These posters were put out by a few interested business men who were seeking wholesome recreation for the children. But the majority of voters were "agin" it and the youngsters of Zeeland will have to get along without their swimming pool.

Several attempts have been made during the recent years by some of the people of Zeeland to secure some amusement for the younger generation of that city but without success. Zeeland so far has the distinction of being the only town of its size in the state without a moving picture house. The argument always brought against that class of amusement, namely that it is wrong from a moral standpoint, could not be advanced against the swimming pool proposition. For that he killed for good. It involved the expenditure of about \$2,000.

GRONINGEN FARMERS HELP WIN THE WAR

The spirit of America with reference to a vigorous prosecution of the war was perhaps never better demonstrated than it was Monday evening to a local speaker in the Thrift Stamp campaign. Dr. A. Leenhouts went to Groningen to address the farmers there and Tuesday he declared it was an inspiration to hear their views on the war situation.

Though they had been hard hit by a killing frost the day before, the farmers were not ready to lie down and give up. They declared they were going to replant whatever crops could be replanted, without the loss of a day, and when they couldn't replant the same crop they would plant something else for which there is still time. They said they would not let anything go undone that could help the country in its struggle. They were enthusiastic about the Thrift Stamp campaign and a large audience greeted the local speaker.

JUDGE CROSS ISSUES ORDER IN R. R. CASE

Mayor Bosch and City Attorney C. H. McBride went to Grand Haven Tuesday to apply to Judge Cross again for a temporary injunction restraining the Michigan Railway from charging three cents a mile on the local interurban line. The application to Judge Cross was made last week also, but no definite steps could be taken at that time because of the doubt there existed as to the jurisdiction under which the Michigan Railway made the advance in rates.

Judge Cross this afternoon in circuit court in Grand Haven issued an order requiring the Michigan Railway company to show why the injunction should not be issued. Judge Cross set the hearing on the matter for July 2. On that date the company will have to appear in court to present their arguments against the issuing of the injunction. This is a necessary legal step, and it is practically certain that the injunction will be issued.

Tuesday the local city officials received the following telegram from Congressman Carl E. Mapes, in answer to a wire sent him as a follow-up to the wire sent Director General McAdoo.

"Am unable to find your telegram in office of the Director General of railroads, but office says that Holland Interurban being an electric line does not come under its jurisdiction. Action of the company in raising rates is not warranted either by any law of congress or any action of the federal railway administration. The company is bound by its franchise provisions and is under the jurisdiction of the State Railroad Commission much as it ever was." (Signed), Carl E. Mapes.

With this document to back them up Mayor Bosch and City Attorney McBride went to Grand Haven to lay the matter before Judge Cross. City Officials in other towns along the line are taking similar action.

A temporary injunction will prevent the interurban from charging the advanced rates until such time as the case can be heard in court and the question settled one way or another.

The Zeeland Fire department was called out Saturday to the home belonging to Harry Vredevel and occupied by Dan Meenwysen. The house which is located on Harrison avenue was considerably damaged by the fire. The loss is partially covered by insurance.

LOCAL FIRM TO HELP FARMERS HIT BY FROST

The Holland Canning Company was on the job early Monday morning to do what it could to make the blow caused the farmers by the frost Sunday morning less heavy. The frost hit hard the entire crop of beans and tomatoes contracted for by this company with a resulting loss of thousands of dollars. For tomatoes it is too late to replant, but beans can still be replanted and raised successfully for canning purposes.

In order not to let the opportunity slip by to have the farmers recoup their losses as much as possible, Wm. Vander Ven, Manager of the local plant, early Monday morning got into touch by wire with seed houses and contracted for enough seed to supply all who have contracts for beans with his plant. As a further inducement, the Holland Canning Company will stand half of the expense of the seed necessary for replanting beans. In this way it hopes to encourage all farmers having bean contracts to waste no time but to get busy immediately and replant their beans.

No time is to be lost, Mr. Vander Ven declared. Beans bring a good price and the crop is worth while this year. The unexpected frost of Sunday morning dashed the hopes of many a farmer, but the man who is on the job now and who does his best to make up for the frost may still realize a good dividend on his labor.

Besides meaning money in the farmer's pocket, it will be a patriotic service on the part of the farmer to replant without delay. Food is needed to win the war and the bean crop can still do its part to this end. Farmers are asked to get into touch at once with the Holland Canning Company.

Matthew Locke, the son of Mr. and Mrs. James Locke of Washington avenue, Zeeland, has successfully completed his eleventh year of the public attendance without being tardy, or absent, which is a record that is attained by few in their career of school attendance. FAMILY HAS FOUR SONS IN SERVICE

Mr. and Mrs. Arend Brandershorst of West Drenthe received word that their son, Ralph, has arrived safely somewhere over there. This is their fourth son in the service of their country. Gerrit enlisted last September in the medical corps, and is now in a camp in Mississippi, expecting to leave for the east soon. Henry and Bert enlisted in the spruce division, Henry is at South Bend, Oregon, and Bert was transferred from Washington, Vancouver Barracks to Seaside Oregon. Ralph was called to the colors by draft last April and is now with the engineer's corps in France.

SAUGATUCK BOY LAYS DOWN LIFE IN BATTLE

Charles J. Fiehse is he first from Saugatuck to lay down his life in the war. His mother, Mrs. Harry Morris has received the official telegram from the war department informing her that Charles was killed in battle on June 7. The body, according to army regulations, was buried in a marked grave in France, where it will rest until the end of the war.

Charles J. Fiehse was born in Chicago Oct. 13, 1893. He attended the Saugatuck school for five years and at the time of America's entrance into the war was living at the home of his brother Russell in Chicago and working as a printer at the Rand-McNally company, where he had been employed for six years.

On April 8, 1917—two days after the war was declared—he enlisted. On 30, 1917, after six or seven weeks at Port Royal, S. C., he left for France as a member of the 45th company, Fifth Regiment, U. S. Marine Corps, American Expeditionary Forces.

That the marines have borne the brunt of much of the recent fierce fighting is already known, and how well they bore it is shown by the casualty lists.

Mrs. Morris was completely prostrated by the news, but under careful ministrations is recovering. Her son Russell came yesterday morning to be with her for a time.

D. A. R. TO PUT ON WAR BENEFIT

The members of the Elizabeth Schuyler Hamilton Chapter D. A. R. will give a war benefit at the Strand Theater on Thursday of this week. This organization was the first in Holland to give a Red Cross benefit. This was way back in March, 1917, before the United States had declared war on Germany. The D. A. R. put on a benefit then to help the Red Cross along and they are still at the same kind of work.

The play Thursday will be "Fields of Honor" in which Mae Marsh stars. It is a six act drama, one of the scenes of which involves the assassination of Archduke Ferdinand, which precipitated the European war. By attending this performance the public will be helping along war work in Holland.

P. M. FINED \$5,500.00 IN U. S. DISTRICT COURT

The Pere Marquette railroad was fined a total of \$5,500 by Judge Sessions in the United States district court on Monday for alleged violations of the hours of service and the safety appliance laws. Four cases were disposed of in three of which, comprising 45 counts the railroad confessed judgment and was fined \$100 for each count. In the other case, which was tried, judgment was given to the United States on five counts and \$200 was assessed for each count.

KNOOIHUIZEN INVOLVED IN CRIMINAL SUIT

Dr. Albert Knooihuizen, former manager of the Holland Furniture Co. was arrested late Saturday afternoon by Deputy Sheriff Dick Homkes on a complaint issued by Justice G. A. Kooyer and signed by Sheriff C. J. Dornbos, charging him with embezzlement. The case no doubt is an outgrowth of the one that occupied the attention of the Circuit Court a year ago and was later taken up by the Supreme Court of the State of Michigan; the findings in both courts were against Dr. Knooihuizen.

The suit brought at the time by the Holland Furniture Co., was for an accounting in which the firm's books were thoroughly gone over.

When the case was tried in Circuit Court before Judge Cross, the Judge convicted Mr. Knooihuizen on eight counts out of the 11 charges made.

Both parties not being satisfied with the decision of Judge Cross, the case was carried up to the supreme court. This court about six months ago, not only sustained the decision of Judge Cross but in its decree adds one more count against the doctor.

The supreme court ordered that Dr. Knooihuizen reimburse the Holland Furniture Co. with an amount aggregating \$10,000, which it is said the doctor has paid since the decision was made.

The first suit however was a suit involving the Holland Furniture Co. and Dr. Knooihuizen.

The new turn of events is entirely different and is for the purpose of ascertaining whether Mr. Knooihuizen can be held criminally as is set forth in the bill of complaint. The new case is one of the People against Dr. Knooihuizen, making certain charges already tried by the circuit and supreme courts, in the civil suits.

Prosecutor Miles in an interview, said, "We prosecute younger and less responsible persons in Ottawa county, for offenses less grave and in which the crime involves property values that are much less than this case seems to indicate, and is convicted the person is sent to jail. I cannot see why this case should not be gone into as well and thoroughly and even sooner than those of lesser import. The man higher up must stand responsible for his acts with the people of Ottawa county and the state of Michigan as much so as the man lower down. If Albert Knooihuizen is guilty he should be punished accordingly. If he is not guilty he should be cleared."

WINS COMMISSION AS ENSIGN AT 21 YEARS

Earl W. Breyman who left Grand Rapids with the first contingent of the naval militia, has recently been commissioned an ensign. He received his commission on his 21st birthday.

Earl is a Holland product having been born in this city. He is the only son of Mr. and Mrs. William Breyman, formerly of this city. For years the father conducted a jewelry store in this city. The late Otto Breyman was his grandfather and Mrs. Percy Ray of Central Avenue is his aunt.

Navy Recruiting officials have arranged with Gov. Sleeper for a campaign for recruits for the navy, which is to continue between July 1 to July 15. The work is to be extended to the 82 county chairman of the state and through them to the city and town boards.

CONNECT ELECTRIC LINE WITH STEAM

The Michigan Railway has ordered the necessary materials and upon its delivery will make physical connections with the Pere Marquette and the New York Central lines as ordered by the state railroad commission. The connections will be made in the district between Fulton and Wealthy sts. Grand Rapids where the lines are near together. This will make the Michigan Railway a part of the city's railway system for the handling of freight and in many ways will facilitate business. The first to receive the direct benefit will be the Voigt Milling Co., for whom sidings will be built giving the company direct railway facilities for handling grain by switching from steam lines to the electric.

The Michigan Railway Co. has an application in before the interstate commerce commission for an order to compel the steam roads to provide and if this order is obtained the electric line will be on the same footing as the steam roads in handling business.

POLICE HOLD CHICAGO MAN AND WOMAN

Chief Van Ry is holding Louis Schrader and his wife Florence Schrader, both of Chicago, on the charge of stealing an automobile. The car is in the list of stolen ones at headquarters and is a Dodge answering the description.

The way the police happened to run across this one was unique. They were looking for some other cars that had been taken, a list of which is received nearly every day by Chief Van Ry. One fact that always creates suspicion with the minions of the law is when they see a car with the numbers chipped off. The car in question looked suspicious in this very particular as only part of the numbers were visible.

The numbers that were distinguishable were taken down and compared with the numbers in the list of stolen cars. That very morning Chief Van Ry had received a new list from the Insurance Bureau of the Auto Protective and Identification Association of Chicago and for which W. J. Garrod is the representative in Holland. A Dodge car answering the description of this one was in the list, containing the same numbers as those still left on the car.

Chief Van Ry wired for more information and was told to hold the couple as two detectives were on their way to take the suspects back to Chicago. The officers arrived Saturday but the Schraders refused to go back to the "Windy City," without extradition papers. In order to bring this about a hearing must be held and this has been set for this week Saturday morning at the City Hall for the purpose of ascertaining if the Schraders can be held. The Chicago parties have secured the services of Attorney A. Van Duren who will represent them at the trial.

For fear the couple might get away in the meantime, Chief Van Ry is holding them on a fugitive warrant and bonds were given by local citizens who are friends of the Schraders.

The Schraders deny all knowledge that the car is stolen and Mrs. Schrader alleges that she has a bill of sale of the car in her trunk in Toledo, where she has been visiting. This of course, is not impossible, as the Schraders might have purchased the car from a second party, who may have done the stealing. This fact however will no doubt come out at the hearing.

The car in question was stolen on February 27, 1918 at Chicago.

MOTHER OF FAMILY TAKEN BY DEATH

Mrs. Henry Vande Water, aged 35, died at her home at 297 Lincoln avenue, Saturday evening. The deceased is survived by her husband, four sons, Herman, Willard, Earl and Clarence, her parents, Mr. and Mrs. Hermanus Bos, and two sisters, Mrs. John Van Vyven of this city and Mrs. Grace Rynders of Chicago.

Because of the large number of relatives, the funeral will be a private one. It will be at the home Tuesday afternoon at three o'clock, Rev. J. Van Peursem of Kalamazoo and Student F. De Jonge officiating. Opportunity to view the remains will be given Tuesday from ten to one o'clock.

LEAVES AFTER SEVENTEEN YEARS

Eighth street business circles are to lose what amounts to almost an ancient institution. "Bob" Slowinski, known to the whole city because of his long service in the tailoring establishment of John Bosman, announced Friday that he had severed his connection with that firm and had accepted another position with the Brown-Wall Engine Co.

Mr. Slowinski has been with Mr. Bosman for the past seventeen years. "The war makes a lot of difference to almost everybody," said Mr. Slowinski, "and it has brought it about that I have made this change after the long period of service with Mr. Bosman."

ONE OF OLDEST IN THE CITY

Perhaps the oldest business in Holland that has remained in the same family with brief intermission is the Vander Veen Hardware business. The late Engbertus Vander Veen founded the business in 1847, the year when the Dutch settlers came to Michigan from the Netherlands. He conducted it until 1890, when his son John Vander Veen took it over. In 1916 the latter sold it to the Verecke-Siersma Co. and it now has once more come into Mr. Vander Veen's possession, who has placed Mr. Siersma in the store to run it for him.

LOCAL PHYSICIAN TO GO TO CAMP

The first Holland physician to be called into the United States army service is Dr. W. C. Kools, associated with Dr. W. G. Winter for some time. Dr. Kools received his commission as first lieutenant about the first of January this year and Monday he was ordered to report for active duty on July 2 at Camp Pike, Little Rock, Arkansas.

Dr. Kools graduated last year from the Detroit College of Medicine and Surgery and since locating in Holland he has made many friends here. Last May the council appointed him as city physician.

John Pieper of Camp Custer was visiting friends here Sunday.

Mrs. Wiersma of Muskegon is visiting her daughter, Mrs. Joe Miles.

WINS DEGREE OF DOCTOR OF MUSIC

The degree of Doctor of Music was conferred upon Alle D. Zuidema, son of Mr. and Mrs. A. J. Zuidema, west Twelfth street, at the annual commencement exercises of the Detroit Conservatory of Music, Friday evening June 21. The exercises were held at the First Congregational Church, and the degree was granted before an audience that taxed the capacity of the auditorium. Dr. Zuidema was formerly organist of the Fourteenth Street Christian Reformed Church, and left Holland to enter the Detroit Conservatory in 1905. He was graduated with honors in 1907, and was the first to receive the degree of Bachelor of Music in that institution in 1911. The present degree is also the first granted of its kind at the conservatory and is in recognition of special work in the theoretical branches both at the conservatory and elsewhere. The final work offered for the degree is an Oratorio in three parts, for solo voices, chorus and orchestra, part of which has been performed at the Jefferson Avenue Presbyterian Church, Detroit, of which Dr. Zuidema, has been organist for the past eight years.

Says The Kaiser Is Responsible for the Sunday Morning Frost

Rev. J. F. Bowerman, who is chairman of the Thrift Stamp Committee of lower Ottawa County, has a peculiar way of figuring out how the Kaiser is responsible for the frost that killed the beans and potatoes Sunday morning.

Says Rev. Bowerman: "Since the war started we have had four years of unusual weather conditions, unseasonable no matter what time of the year—you may examine past statistics. Last year late in May a frost nipped everything just as gardens and fields were in full bloom and the entire summer was one of cold and discomfort. The year before, the hottest wave known to anyone in this vicinity blasted the country, causing droughts and prostrations. Last winter you all remember mildly. This year as last, June 22 a frost comes and destroys the tender vines reared to win the war. But don't be discouraged; it is part of the battle that we must contend with. I claim that the heavy bombardment, the unusual cannonading going on across the water has had a tendency to put atmospheric conditions in such a shape that nature is running out of its regular beaten path, bringing weather conditions heretofore unheard of. Well, the Kaiser is responsible for the war, and consequently for the weather conditions that have frozen our crops."

"The thing to do is to replant at once, take a grim hold of the hoe and show the Kaiser a thing or two and incidentally lay down the hoe for a dig down and buy a war savings or a thrift stamp."

AUTO RACES PROVES TO BE BIG FROST

Notwithstanding the intense heat of Thursday, there was a big frost at the Holland fair grounds which will have a tendency to kill off any future crop of auto races that may be staged there.

Auto racing is new to this city and this first attempt at staging a meet certainly will not be conducive toward educating our citizens to become lovers of this sport.

In the first place, three of the fast men and cars to enter did not appear in the races. The reasons given by men connected with the outfit were that these men had suddenly been drafted and consequently could not appear.

To make a long story short, there were just 3 cars at the fair grounds; one had the crankshaft broken and was there on exhibition—not for speed, but as an ornament, as it was not entered in the races. This left but two cars, a National driven by Soules

Save Wheat Flour

Our Soldiers must have it.
The French and Belgians need it.
It is our duty to do that which will materially assist in winning the war.

When we assist our Allies we help ourselves, and it is such a little inconvenience to use wheat flour substitutes compared to what our Soldiers and our Allies' Soldiers are sacrificing, and such a big help to them, that our Government's request along this line should be unanimously and most generously met.

Rowena Rye Flour

does not require a substitute. It saves wheat flour.
The quality is splendid. It is very white and the flavor is excellent.
Every sack of Rowena Rye Flour is sold and guaranteed under the Rowena Trademark, standing for perfect satisfaction or the return of your money.
Suggest this recipe for Rye Muffins—they are really delicious. Be sure to use Rowena Rye Flour.

and a Hudson driven by Wild Bill Endicott. In the first try out the National all threw a wheel and was not in it against the Hudson from that time on. After that incident the National was practically out of commission starting in every event but making no time to speak of and each time after going once around the track as a trailer it came limping in practically out of commission. The Hudson car was the only machine that showed any form at all, keeping up a monotonous grind around the course but at no time did it do the half mile track in less than 40 seconds. Speed Cop Bontekoe could name a hundred speeders in Holland who can make better time than that without any apparent effort on our public streets. The only difference is that the local racers pay for making the speed and Holland citizens paid for seeing sport of an inferior quality. The management of the race meet was bewailing his hard luck to the spectators, but it was found out later that this same aggregation had been showing in Charlotte and some visitors from that city told the Sentinel that the same broken down cars were there, that the same machines scheduled to enter the races were missing and that one of the cars gave the same trouble and that the meet held here was practically a duplication of the one held in Charlotte. Anyway, the crowd was thoroughly disgusted with the event. It is no doubt true that these

men were drafted and these machines were out of commission temporarily and that hard luck played an important part, but in that case it would have been wiser to have pulled the race meet off, rather than give the public such a poor exhibition of the sport. About 200 spectators paid 50 cents to see the races not including about 300 "kiddies" who lined the top of the fences around the race track. The fair management should not be blamed for the failure of the racing outfit to make good. They were not in a position to know until the last minute that some of the cars failed to come to Holland and certainly they could not know that others were practically out of commission.

The racers and their machines left on the Chicago boat Thursday evening. The best part of the exhibition was a free attraction staged by Walters of East Saugatuck who showed considerable speed with his Cornelian made in Allegan which is a pocket edition of the Ford when it comes to size.

THURSDAY IS SET FOR DRAFT DRAWING

Washington, June 25—Thursday of this week was fixed by the war department Tuesday as drawing date to establish the draft order of nearly 300,000 young men of 21 who registered for military service June 5.

WANTS DUTCH LANGUAGE KEPT IN CHURCHES

A nettlesome problem was presented Monday when the Rev. R. L. Haan,

formerly pastor of the Central Avenue church in Holland, representing his church in Orange City, Iowa, appealed to the Christian Reformed synod now in session at Calvin college to petition President Wilson to use his influence in having Governor Harding of Iowa recall his order that all public religious worship in Iowa must henceforth be conducted in the English language. Rev. Haan said that a very large percentage of the Christian Reformed people in Iowa, were born in Holland and found it impossible to understand an English sermon. He maintained that if Governor Harding insisted on enforcing his new law it would make religious services practically impossible for a majority of the church people. There is a difference of opinion among the Christian Reformed church leaders regarding Governor Harding's decision. A number of them feel that many churches have been neglectful of their duties to America by insisting upon conducting their religious services for several decades in a foreign language. They feel that such a radical decision as that made by Governor Harding will cut the Gordian knot, and once and for all settle the question of Americanism in the foreign speaking churches of this country.

**TRIES FOR YEAR
TO GO ACROSS
TO FRANCE**

So anxious was Elmer Poppe of this city to get across and see active fighting in France that he enlisted as a chauffeur in his company at Ft. Strong in the hope that he would be given a chance to go across in that way.

Young Poppe, who was among the first from Holland to enlist when war broke out last year, has been trying ever since that time to go to France. As each contingent of his companions at Fort Strong, Mass., went aboard ship to go to the firing line he begged his superior officers to let him go with them, but each time he was refused.

The Holland boy has made more than good as the manager of the Coast Exchange store at Fort Strong, a supply store for the enlisted men at that post. He has proved himself so valuable a man at that post that his superiors believed he could do more for his country there than in any other position and so they have been keeping him there.

The last time he visited home in Holland a few months ago he said he expected to go across soon, but he is still in this country. So when the chance came a week or two ago to enlist as a chauffeur he took it immediately and now hopes to get across at last.

THE FOURTH OF JULY

The Fourth of July now again is at hand.

Reminding the people who dwell in our Land Of patriots whose rights were ignored by a foe, And pledged to go forth on a Fourth long ago.

The Fourths that have passed lift their voices and cry, Go forth to the conflict lest Liberty die For fiends have decreed that their might shall be right, And threaten the world with their honor and blight.

The spirits of patriots are eager to see Brave men who will throttle this monstrous decree; For all that we have and adore is at stake: Go forth for Humanity's, Liberty's sake!

Young men of our land are preparing to fight; We all must do something, no matter how slight: While God rules the universe truth cannot die— Let's resolve to go forth on this Fourth of July.

—Peter van Wynen.

LOCAL TEAM IS STILL WITH A CLEAR SLATE

The Eagles of Grand Rapids were defeated by the Independents 13 to 11 last Saturday afternoon. The Independents are as yet undefeated. Holland started in their turn at bat to sew up the game. Ashley grounded out but Shaw and TeRoller registered hits then G. Batema pulled off the feature of the game by pounding out a home-run into deep right center. It was a terrific smash and would have gone over Van Vleck Hall had not the strong wind held it back. Again in the next inning 4 runs were scored on successive hits of Nykamp, Shaw, TeRoller, B. Batema and Waltz. The Eagles had not threatened any until the seventh inning when they gained eight runs thru Nykamp's inability to locate the plate, TeRoller's poor pegging to bases and a bunch of hits. The fans became alarmed as for the first time this season the opposing team was ahead. It became real exciting from then on as the fans began to pull for victory. Holland was staring defeat in the face for there were only three more innings to forge ahead. But however very quickly in their turn at bat four runs were pushed across the pan. Batema, who will discard the baseball uniform for the khaki came across with the two-base hit that decided the game. The game was featured thruout by the hard hitting of the Holland team and Batema's home run.

Score by innings—

Eagles.....	0 2 0 0 1 8 0 0—11 9 5
Holland.....	4 4 0 0 1 4 0 x—13 18 3

Batteries—Eagles, Wolford, Olnicki and De Witt; Holland, Nykamp, G. Batema and TeRoller.

EIGHTEENTH STREET TEAM IS AGAIN VICTORIOUS

The 18th St. baseball team claimed its ninth victory Tuesday night by defeating one of the strongest teams yet played, the Sixth Reformed Church team, by a score of 10-8 in a seven-inning game. The victors were minus their two best players Bernie Rosendal and Bert Steele, but nevertheless under these trying circumstances they won a clean victory. The batteries for the victors were Steggers, Wasenaar and Meyer and for the Sixth Reformed Church were Eelving and Strong. The game was close and well played and the victors showed some baseball and are ready to play any other team of its size.

The Sixth Reformed church team, though defeated by the Eighteenth St. team, is willing at any time to play this team or any other team in the city, it announced Tuesday. This being the first game of the Sixth Church team it has shown what it can do. The game was called on account of darkness, but the 18th street team had to earn every point they made, their opponents point out, since the game was tied until the last inning. Those wishing to schedule a game with the Sixth Reformed church can get in touch with Peter Wiersum.

Ten Reasons Why Michigan Should Send TRUMAN H. NEWBERRY to the United States Senate

- First—Because of his marked ability. As a business man, as a member of Roosevelt's Cabinet and as a Commander in the Navy he has shown himself capable and efficient.
 - Second—Because of his broad experience in national affairs. As Secretary of the Navy he came into close touch with Congress and legislative action, knows how laws are made and is thoroughly familiar with legislative processes.
 - Third—Because he is a worker, "a man who does things."
 - Fourth—Because of his splendid record—Able seaman on the "Yantic" in the Naval Reserves—Lieutenant on the "Yosemite" in the Spanish-American war—Secretary of the Navy and now a Commander, he has always "made good."
 - Fifth—Because he is a Michigan man. Michigan born and bred and a part of its business and industrial life, he is in close touch with the affairs of our great state. He knows Michigan conditions and needs.
 - Sixth—Because of his integrity and high character. Truman H. Newberry stands always for a "square deal."
 - Seventh—Because he is genial, approachable and sympathetic. Much of his time is taken up with doing things to help, personally, the boys in the Navy and he delights to be of service to them.
 - Eighth—Because of his good judgment and balance. He is dependable and reliable.
 - Ninth—Because of his 100% Americanism. Not only in the service himself, but his two sons as well, he is doing all he can at his post of duty to help to win the war. He is the "Win-the-War" candidate.
 - Tenth—Because of his knowledge of the war, he is the best man we have in Michigan to help solve the problems arising and to arise out of this, the greatest conflict in history.
- Ability—Experience—Industry—A Splendid Record—Integrity—Home Ties—Helpfulness—Good Judgment—Knowledge of War Conditions and Problems—all these are found in Truman H. Newberry.

HE IS THE BEST QUALIFIED MAN IN MICHIGAN FOR UNITED STATES SENATOR.

LEN R. PATTERSON OF SPRING LAKE COVERS STATE BY AUTO

Len R. Patterson of Spring Lake, who represents the Rockwell Manufacturing Co., of Milwaukee, dealers in sash, doors, blinds and lumber covers his territory throughout nearly all of Michigan by auto. He returned last week from a business trip through the Thumb district. The many trips he has made throughout the state has given him a thoro knowledge of Michigan roads.

The Spring Lake man is a loyalist when it comes to talking for his home district and on the road always manages to get in a good word for Ottawa county.

Mr. Patterson in a little more than a year has covered over fifteen thousand miles of road with his car going over his territory in Michigan.

Fifteen thousand miles at three cents per mile would buy a Lizzie easily.

SHERIFF DORNBOIS PICKS UP UNWEL-COME VISITOR

BADLY FRIGHTENS WOMAN AT HER HOME NEAR GRAND HAVEN.

The sheriff's office was called up late last night by a woman living in one of the cottages way out on Sheldon road near the ball park. The woman was very badly frightened by a seedy fellow who attempted to enter her home. The man was very unkempt and suspicious looking, not having shaved in a month and, by all signs not having bathed in a year.

Thinking that he had picked up the trail of another of the gang who had been breaking into Park cottages, the sheriff hurried out there and took the man into custody. The luckless individual proved to be, however, only a harmless wanderer undoubtedly a little "off" in the head. He said his name was Arthur Wickbolt and that he is thirty-three years old. According to his story he had been working at odd jobs on Wisconsin farms and was at the time of his capture on his way to his father's farm near Little Manistee station in the Upper Peninsula. He said he was walking as that was the best way but had been taken sick within the last few days.

Sheriff Dornbois will very probably turn him out within a day or two and send him on his way.

Henry Warnshuis has left for Elmira, N. Y., where he will work during the summer.

TO ORGANIZE CANNING CLUBS IN HOLLAND

M. A. C. LEADERS FRIDAY AND SATURDAY WILL GIVE DEMONSTRATIONS

Is Specially For The Girls Who Want To Join Clubs; Others Are Invited.

The canning demonstrations Friday and Saturday will be held in Room 105 at the High school. These demonstrations will be particularly for girls of high school and junior high school age. Their mothers and any ladies who have been unable to attend the other demonstrations are also invited. Miss Robb and Miss Van Heulen of M. A. C. and Miss Duthie of Grand Rapids will conduct the demonstrations assisted by Miss Lavina Cappon of the local high school.

Miss Van Heulen is state club leader for girls and Miss Duthie, besides doing canning work, has been physical training teacher and play ground director in Grand Rapids. So a good time is assured the girls.

Canning clubs will be organized at these demonstrations to suit the needs and wishes of the girls. The fair association is offering very generous premiums for entries by canning club members, and an exhibit of their work is being planned for the county fair in September. An effort will also be made to select two or three canning teams from among the clubs to demonstrate the cold pack method at the fair. The winning team in the county will be given a free trip to the state fair at Detroit to compete for canning honors there. This is a fine opportunity for the girls to do some real productive work during their vacation, and it is hoped that the project will receive hearty support.

The schedule for the demonstrations has been arranged as follows: junior and senior girls, Friday at 9:30 a. m.; freshmen and sophomore girls Friday at 2 p. m.; all junior high garden and canning club members Saturday at 2 p. m. in Room 105, high school.

All girls who are not doing other work are invited with their mothers and friends to see these demonstrations even though they may be unable to take up the club work. A canning team will be sent from Ottawa county to the state fair and it is hoped the winning team may be one from our own city.

Among the soldiers from Canada who spent Sunday with relatives here were: John Pieper, Jake Kraai, A. Van Loo, Dick Osterbaan, John Leeuw, Henry Goomers, H. Faber, Wm. Reus, and John Ten Have.

Mrs. A. Eisen of Holland is visiting at the home of J. H. Scholten.

MRS. REKA OXNER NEEDS TREATMENT SAYS JUDGE

HAS BEEN OCCUPYING THE ATTENTION OF POLICE FOR SOME TIME

"The verdict in the case of Reka Oxner, a jury of 12 having found that Mrs. Reka Oxner, was demented, I consider that she is a proper person for care and treatment in the hospital for insane." This is the verdict of Judge Danhof, Probate Judge of Ottawa Co. The unfortunate woman has been in the hands of the police on several occasions because of the most unheard of things that she committed to irritate the neighborhood in which she lived.

Several complaints were registered from time to time and these matters These offenses became so frequent and have been aired in the courts before, for no apparent reason whatever, that the police began to doubt the sanity of the woman. For that reason the matter was called to the attention of Judge James Danhof who came to Holland to try the case yesterday. Considerable difficulty was experienced to get a jury together but at last the following jurors were selected: John Rutgers, Nick Dykema, Jacob Ver Hey, Peter Brusse, Nick Spritsma, Andrew Steketee, Isaac Kouw, John Koolker, John VanZanten, John Vander Berg, Fred Beuwkes, Will Lokker. Attorney Arthur Van Duren appeared for Mrs. Oxner.

THINKS CORN CROP MAY YET BE SAVED

The corn crop in Ottawa county frozen last Sunday may still be saved to a very large extent, according to Henry Gronewoude, implement dealer in Holland.

Mr. Gronewoude in his line of business daily meets many farmers and he takes more than ordinary interest in their welfare. Tuesday he made a special trip through the frosted sections to satisfy himself as to how much damage has been done.

His conclusion from this personal observation was to back up the advice of County Agent Hagerman who said that the frosted leaves should be taken off and many of the crops would sprout out again. In a number of places he cut away the frosted parts from the plants with the result that he found the heart of the plants completely untouched.

These plants, he says, will sprout out again and the crop may be as good as ever. But the plants must be helped along by having the frosted parts cut away. Mr. Gronewoude cautioned the farmers to cut deep enough so that the hearts of the plants would have a chance to break through to the surface. This is of course a big job, as any city man would find out if he were placed in a 20 acre lot of corn. But Mr. Gronewoude thinks that it will be money well invested no matter what it costs.

TO HELP WEST OLIVE MEN TO CELEBRATE

HOLLAND MERCHANTS DONATE ARTICLES FOR INDEPENDENCE DAY CELEBRATION

The citizens of West Olive are doing themselves in staging an Independence Day celebration worth while. Holland has made no plans for the 4th and it would be well for our citizens to take a run down the pike and look in at our neighbor's celebration and aid them in their efforts.

Many of the Holland business men have already thought out this idea and have sent the committee a great many articles from their stores that are to be auctioned off among other things, at 12:30 o'clock of that day. The proceeds of this sale will go to the benefit of the Red Cross.

All West Olive is enthusiastic over the celebration. The committee has had large posters printed headed with a Red Cross signifying that the event is purely patriotic and for the benefit of the most benevolent organization on the face of this earth.

Although a serious celebration from many viewpoints the event will have a bright side also. The usual speakers will have a message this year such as they never had before. After the speaking a program of sports will be given starting promptly at 10 o'clock. The program as arranged follows:

LIGHT BEARERS GIVE AN ENTERTAINMENT

One of the clearest entertainments of the Methodist church year was given Tuesday afternoon when the Little Light Bearers' Society held its annual meeting. A very large number of children and mothers were present. The former participated in an original program under the direction of Mrs. C. St. Clair, the Superintendent of the organization. One feature of the program was a play in which Mrs. Harry Harrington as Miss Rachel Carr, the children's missionary explained her work in India. The Light Bearers lost eight of their number who were promoted into the Kings Heralds society, but gained twelve new members.

EXCUSES CHURCH FROM PAYING INTEREST

The small Christian Reformed church of Noordeloos, a few miles east of Holland, had borrowed \$300.00 from the endowment fund of Calvin college in 1878. Since that time it has been faithfully paying interest but has never succeeded in reducing the principal. In view of the straitened financial circumstances of this church, the synod in session in Grand Rapids Tuesday decided to excuse the congregation from making any further interest payments and demands payment of the \$300 only in case the congregation should disband and the church property be sold.
